Chew Policy

Blue-9 understands that dogs chew on everything! Most of the time it happens in a short time when you're not looking. Blue-9 will email you with a promotion code for a 50% savings on a new harness, upon receipt of the damaged harness. You are responsible for shipping product to Blue-9 Pet Products.

What do we do with all the old harnesses? Good question! We will repair all the chewed harnesses into working order and donate to dog shelters across the country to be used again.

What happened?! – We love hearing stories of mischievous doggos tell us the story and maybe even email us a picture of your dog (who doesn't love getting emails of cute pups?):

*Ship your package by UPS, FedEx, or USPS Insured Mail. Please retain your tracking number to confirm delivery. Return postage is the responsibility of the customer. We recommend using a shipping method with a tracking number. Blue-9 is not responsible for lost, damaged, or stolen packages. Once we receive your chewed harness, Blue-9 will email you a promo code valid for 50% off a new Balance Harness®.

Blue-9 Pet Products Chew Policy:

1. Complete the section above.
2. **Enclose this form** with the item(s) you're returning
3. Words of wisdom: Don't leave the harness on your dog if it's not in use. The Balance Harness® is NOT a collar. Most problems (CHEWMAGGEDONS) happen when the harness is left on the dog while being left alone. Don't do it! Your dog will thank you!
